

REMARKS

Claims 1-65 are pending. By this Amendment, Figure 17 is corrected to obviate the objection to the drawing. Furthermore, a Terminal Disclaimer is filed to obviate the double patenting rejection. Thus, claims 1-65 contain patentable subject matter.

In view of the foregoing, it is respectfully submitted that the application is in condition for allowance. Favorable reconsideration and prompt allowance are earnestly solicited.

Should the Examiner believe that anything further is desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,
